Dear Jenny,

Thank you for your Donation

I am writing to thank you all on behalf of everyone at Street Forge Workshops for the unbelievable donation received for £1,789.00 presented to myself on your behalf by Wendy on our Open day.

The money that has generously been donated has, as you rightly stated in your letter, enabled us to purchase two new lathes within our wood turning workshop. These really do benefit so many of our clients who use this facility.

I believe you will have (via Wendy) a couple of pictures of Mick (wood turner) and myself showing both the lathes and the plaque acknowledging this wonderful donation which will go in your newsletter.

Please pass on our sincere and heartfelt thanks to all within the Ipswich Horse Society for their wonderful fundraising efforts, and may I personally wish each and all, a very *Merry Christmas and Happy, Healthy New Year*.

Kind regards
